Junior Digital Designer (m/f)

JUNIQE is the fastest growing online destination for eclectic, affordable wall art, fashion and accessories. We deliver art and lifestyle products to 13 different countries across Europe and are working on expanding to many more.

You want to grow with us and help us revolutionise the European online art market? Then keep reading.

Your tasks:
- Contributing to the graphics team with the preparation of product imagery for our website
- Independent creation of newsletters and widgets, as well as advertising and home-page banners
- Creation of on-brand marketing material for channels such as Facebook, Display, Instagram, Pinterest

Your profile:
- Successfully completed an apprenticeship or bachelor's degree in a relevant field of study with excellence (e.g. certified Graphics/Media Designer, B.A. Communication Design)
- Enthusiasm for the internet with a strong affinity for art and design, high degree of willingness to further deepen your knowledge in online topics
- Well-structured way of working, high quality standards and enthusiasm for our products
- Creative with an eye for shapes and colours
- Comfortable working with Adobe Creative Suite (Photoshop, Indesign, Illustrator and Sketch)
- Team player, highly motivated, resilient and responsible
- Excellent written and verbal communication skills in English, German is a plus

Working with us:
As part of a dynamic international team of art-obsessed, creative e-Commerce professionals, you can expect to take on responsibility from day one. Sharing and implementing your own ideas, you'll work independently in an environment with flat hierarchies and contribute directly to our growth and success. That's right, you get to be yourself and be a JUNIQorn! Which, for the record, includes food-tastic lunch sessions, gifs galore and ice-cold Gösser.
